PCSP requires all Clubs to provide details of each Club's membership. Two options were available. After discussion the meeting agreed to Option No. 2. which requires the given name and surname ONLY of members and "regular attendees". In our case "regular attendees" means our lady guests.

The Club insurance has an age requirement. Participants aged 91-100 attending club outings must have a certificate from their doctor certifying them as fit for the excursion. Sadly centenarians can no longer get insurance from the Club.

The Secretary advised that he now needs to inform our Insurance Company each year by 12<sup>th</sup> April of the names of all members and regular attendees. This is a new requirement.

The Secretary also read the formal Notice for the A.G.M.

Activities Reports.

Bert Milgate advised that our expected speaker to-day was not able to come and would be replaced by Lyn Geer from The Smith Family.

He also confirmed the speaker for February and advised that the speaker in April will talk on family history and ancestry.

The President advised that as there were not enough members who had made a firm booking for the lunch to-day this had been cancelled.
