

2025 - A Fabulous Year for Lilydale Probud Club

Our Club member numbers for the year ranged between 75 -80 while attendances to our monthly meetings were between 44-57 for each monthly meeting with 1-8 visitors and 13-28 apologies. A Speaker attended most months with interesting topics to enthral us.

Special Presentations – We presented 1 certificate for 40 years membership and 2 certificates for 25 years membership. A huge commitment by these members.

Until 2015 women in the Club were only permitted to attend with their husbands as, officially Lilydale Probud Club was a men only Club. In 2025 we had an explosion of Special Presentation Certificates to those 15 ladies who officially joined in 2015. 4 men also joined that year. We celebrated the induction of 1 Life Member, a very worthy recipient but also lost 2 of our Life Members. Certificates were also awarded for President, Vice President and members filling in for Committee members. 8 new members were inducted into the Club.

We lost 7 past and present members who passed away.

Our 'Ramblers' walking group traversed much of the local area discovering new trails and revisiting old ones and, of course, enjoying refreshments/lunch afterwards.

Our Probud Pals ladies attended 11 different cafes enjoying coffee, a chat and lots of laughs with numbers from 10-24.

Probud Mates attended lunch every fortnight with approx. a dozen men at each lunch.

We held our annual car trip to Castlemaine for 4 nights enjoying each other's company and seeing the sights. Monthly trips were to Pentridge, Government House, Monsalvat and a bus trip to Warburton and Werribee Park Mansion & Gardens. There were theatre shows, Morning Melodies, lots of lunches and dinners, an overnight trip to Walhalla. Activities on meeting days included Xmas in July, Mad Hatters' Day, Cup Day dress up and Wear your Bling dress-up.

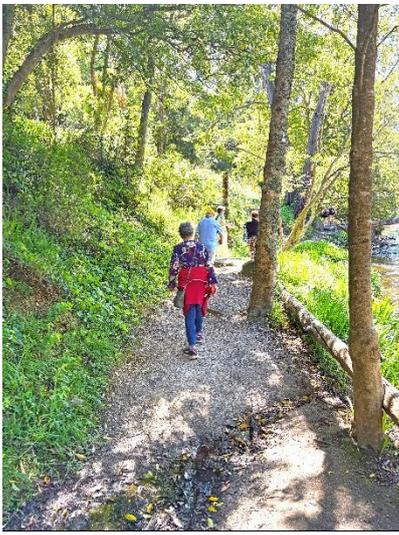

Our Newsletter keeps us up to date with each month's events and pictures of all that happened for the previous month including a good splash of jokes to keep everyone entertained.

All in all we have had fun and friendship in spades for the year! Lots of laughs, good deeds for members. keeping an eye out for each other and enjoying each other's company. We have started into a new year and intend to do it all again. Now I bet you just can't wait to join us!!
